## WHO WE ARE

BRCI and Delta Point organized a Joint Venture in 2020 called DELTA RUN SECURITY (DRS). DRS is a SBA certified Alaskan Native Corporation 8(a) entity with decades of experience in government and commercial business solutions. Our staff of more than 40 employees is empowered and expected to meet the complex security enhancements required in today’s world.

DRS provides and supports design, integration, network management, on-site managed services, and SCIF buildouts. We define, design, implement and maintain the preferred solution to meet our customer’s security needs.

DRS is a turnkey-systems integrator, providing design, installation, and integration of public security and safety systems, including:

- Access Control
- Intrusion Detection (Exterior, Interior and Duress)
- Surveillance Systems
- Networking
- Command and Control Centers
- Asset Tracking
- Barriers and Turnstiles
- Tactical Training

Headquartered in Herndon, Virginia, DRS has over 15 years of experience in the design and installation of comprehensive security solutions to government agencies. Our systems are used worldwide to safeguard lives, material assets, and mission objectives.
